

MQHA HORSE BACK RIDING PROGRAM

Few things in life are sweeter than being rewarded for doing something you love, and that's what the Horseback Riding Program is all about! Once you enroll in this program sponsored by MQHA, you simply log the hours you spend riding or driving your horse. As you ride, the hours can earn attractive awards. Sign up now to take advantage of this unique activity. You're going to put in long hours in the saddle anyway! Why not have something extra to show for it? So enroll today and pile up the awards!

Qualifications & Rules:

- Become a member of MQHA. Keep your membership active for the entire time you record hours toward a recognition level. There is not a deadline or time limit, as long as your membership is paid.
- Pay a one-time enrollment fee of \$25. Enrollment fee is on the rider, not the horse
- Log hours riding or driving on an official log sheet. Points are accumulated year to year and awards are presented as you reach the award levels below.
- Double points are granted on MQHA and AQHA recognized trail rides.
- This is open to everyone, youth and adults (no trainers please)
- It is based on the honor system, if you cheat, you only cheat yourself.
