

# OPEN AND NON-PRO VERSATILITY AWARD 2003

**ALL OPEN AND NON-PRO PARTICIPANTS AT THE MINNESOTA  
QUARTER HORSE ASSOCIATION FUTURITY ARE ELIGIBLE**

Points are cumulative over the 4 years a horse can be shown in the Futurity:

- As a weanling - halter
- As a yearling - halter and longe line
- As a 2 yr old - western pleasure and hunter under saddle
- As a 3 yr old - western pleasure and hunter under saddle

10 points are awarded to the first place horse down through one point for tenth place horse in each class, no matter how many horses are entered in the class. The point system is the same for both halter and performance futurity classes. The horse could accumulate a maximum of 70 points, if the same horse won all seven futurity classes for that age group, over the four year period.

Points are accumulated and tracked by the horse. The horse may have different owners and exhibitors over the four year period. . The horse must show as a 3 yr old to be eligible for a Versatility Award.

\$1000 Award is split between the Champion and Reserve Champion Versatility Horse in both the Open division and Non-Pro division. \$600 is awarded to the Champion and \$400 is awarded to the Reserve Champion of each division. If there is a tie for Champion, there would be no Reserve Champion and the prize would be evenly split between the horses that tied. If there is a tie for Reserve Champion, that portion of the prize money would be evenly split between the horses that tied.
